TCW Judge Goodwin (CF, MS, FT, MM, JB, RD, KM, Madeline, BS)  
 + Harry Bell, Rebecca Betts

→ general overview of settlement (FT)

- going through agreement + making progress;  
 Put before Judge a TPO w/ temporal d/l  
 + opt-in/out provisions as effect dismissal  
 of cases
- state claimants: PA advised by PM that he  
 intends to participate in settlement. some nuances,  
 but working out. Doesn't encompass all  
 PA cases, but confident they will come  
 in. ~~more d/l's~~ spoke w/ Moss, but she is reluctant to  
 move d/l's. Moss will want something from Miller.  
 Substantial majority of ND + NV will  
 opt-in. Teresa is in. O'Rell likely.  
 Texas: unsure

FT: asked court to continue stay until PTO  
 and let it go through opt-out d/l.  
 More Tankert hearing and motions until  
 we know who is in/out of settlement.  
 Judge sees no problem as long as he  
 has something in writing (memo) re:  
 status of negotiations to take to state  
 judges. Detail akin to term sheet. We  
 need to let him know changes in  
 scheduling requested

→ Give Judge a "settlement outline" to take to state judges. Get it to judge early tomorrow at latest. \* BY NOON

→ Conservative d/i to get thing finalized for stay.
